

# AASHTO Anchor Bolts

## AASHTO M314-90 (2004) L-Bend Anchor Bolt

### Material Specifications

- AASHTO M314 Gr 36
- AASHTO M314 Gr 55
- AASHTO M314 Gr 105

### Available Nuts

- AASHTO M291 Gr A Hex
- AASHTO M291 Gr A Heavy Hex
- AASHTO M291 Gr D Hex
- AASHTO M291 Gr DH Heavy Hex

### Protective Coatings

- Plain
- Hot Dip Galvanized Zinc
- Mechanical Galvanized Zinc

### Flat Washer

- AASHTO M293 (ASTM F436)

### Identification

Anchor Bolt	Color
AASHTO M314 Gr 36	• End color blue
AASHTO M314 Gr 55	• End color yellow
AASHTO M314 Gr 105	• End color red

## AASHTO M314-90 (2004) Straight Anchor Bolt

### Material Specifications

- AASHTO M314 Gr 36
- AASHTO M314 Gr 55
- AASHTO M314 Gr 105

### Available Nuts

- AASHTO M291 Gr A Hex
- AASHTO M291 Gr A Heavy Hex
- AASHTO M291 Gr D Hex
- AASHTO M291 Gr DH Heavy Hex

### Protective Coatings

- Plain
- Hot Dip Galvanized Zinc
- Mechanical Galvanized Zinc

### Flat Washer

- AASHTO M293 (ASTM F436)

### Identification

Anchor Bolt	Color
AASHTO M314 Gr 36	• End color blue
AASHTO M314 Gr 55	• End color yellow
AASHTO M314 Gr 105	• End color red

### Quality Statement

Westermann Bolt & Gasket Co. is committed to excellence in the manufacturing of AASHTO, ASTM, ANSI/ASME and IFI products through the quality control processes of education, ethical procurement, skilled workmanship, accurate measurement and document control.

Our in-process controls are in accordance with ASME B18.18.4M
